

2018 CHEMISTRY OPEN HOUSE

*& Science Exploration
Gallery*

In the spirit of all things scientific, occasionally explosive, and all-around inspirational, the Department of Chemistry is gearing up to host one of the most popular fall traditions across the Texas A&M University campus.

SATURDAY, OCTOBER 27

10 A.M. - 3 P.M.

TEXAS A&M UNIVERSITY

Grab a goodie bag at check-in (corner of Ross & Spence Streets) and get ready for a host of hands-on action, including polymer experiments, computer activities, guided laboratory tours, four Chemistry Road Show performances, a poetry contest, and lots of other free fun for the whole family!

Find more info on events & parking at chem.tamu.edu/openhouse

CHEMISTRY OPEN HOUSE is held annually in conjunction with National Chemistry Week, celebrated October 21-27 with the theme Space Chemistry! The event is sponsored in part by VWR Scientific, Hayden-McNeil Publishing, the Texas A&M College of Science, the Texas A&M University-American Chemical Society Local Chapter, and the First Year Chemistry Program.
