

# STLE recognizes the industry's future leaders

**T** HIS YEAR, 50 STUDENT POSTERS were on display inside the exhibition area at the society's 2014 Annual Meeting & Exhibition in Lake Buena Vista. Once again, the quality of the submissions were outstanding as students came from all over the world, including more than 25 universities in 12 states, as well as five nations in the United Kingdom, China, Taiwan, Korea, France and Nigeria.

The posters were judged by a conference committee, and awards and cash stipends were given out to the best nine posters in three categories: platinum, gold and silver. The society wishes to thank all of those who participated in the student poster competition, and short abstracts of the nine poster winners will be published soon in TLT.

Log on to [www.stle.org](http://www.stle.org) for more information regarding the 2015 student poster competition.
