

34th Annual Chemistry Open House & Science Exploration Gallery

Department of Chemistry, Texas A&M University

Welcome – 10:00 am

Dr. Stephanie McCartney

Demonstration Videos – 10:05 am

Cramming Kyle Field into a Crystal - MOFs

Zhou Group

DIY Lava Lamp

Wooley Group

Growing Borax Crystals

ACS Student Group

Building a Lemon Battery

Wooley Group

Reaction Rates of Bath Bombs

Yan Group

Mentos and Soda Reaction

Tabor Group

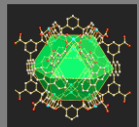

UV Beads and Sunscreen

GSAC Group

Tin Dendrites

Banerjee Group

Hurricanes and Atmospheric Chemistry

Zhang Group

Gyroscopes

Gladysz Group

Writing with Phosphorus

Gabbai Group

Exploding Nitrogen Triiodide

Gabbai Group

Chemistry Road Show – 11:00 am

Dr. Jim Pennington

This event is sponsored in part by the Texas A&M College of Science, Department of Chemistry, First Year Program Director's Fund, Texas A&M University-American Chemical Society Local Chapter, Hayden-McNeil Publishing, and VWR Scientific
